

GLOBAL CARDIOVASCULAR ASSOCIATES, INC.

2110 E. Flamingo Road Suite #301

Las Vegas, NV 89119

(702) 866-6802 Fax (702) 866-6904

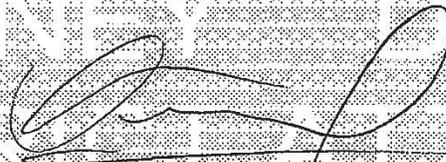

Patient: Jackson, Michael
DOB: 08/29/58
DOS: 09.26.08

Patient complains of insomnia and having difficulty to sleep. He has no evidence of mood changes or signs of depression. He is otherwise doing quite well and at this time is in great health.

Physical Exam: Generally and basically unremarkable. Noticeably patient no longer has onychomycosis which was successfully treated with Lamisil.

Plan:

1. Restoril 30 mg 1 po hs PRN
2. Follow-up as needed.
