Randy,

We have been provided with two first available times for a meeting between you, Tim,

Jeffrey Katzenberg, Dr. Tohme and Michael Jackson:

Wednesday, December 17th at 6:30pm

or

Friday, December 19th at 6:00pm

I assume that a Beverly Hills hotel location would be easiest for everyone to meet, but please advise if you would prefer the meeting take place at Jeffery's office and I will adjust accordingly.

Once we know Tim's availability, should I contact Dr. Tohme or will you?

Thanks,

Arlyne

Jeffrey, we are in the process of orchestrating a worldwide comeback for Michael Jackson starting with 30+ nights at the O2 Arena in London. As part of our agreement with MJ, Phil A has committed to putting up \$1M to develop a script for a 3-D film version of "Thriller" using original and new music. His 25th Anniversary release of Thriller remixes was the biggest selling album in 2008 for all of Sony Music worldwide. Would you take a meeting with Michael and me to discuss a possible 3-D animated version? I know your schedule is crazy and this might not be something that would top your agenda of new projects, however, I would consider it a great favor if you could listen to his ideas.

Thanks,

Randy
